

A1 47. The pharmaceutical composition of claim 46, wherein said allergenic *Candida albicans* extract for intradermal testing is the *Candida albicans* Skin Test Antigen.

#### REMARKS

Applicant respectfully requests that the foregoing amendments be made prior to examination of the present application.

After amending the claims as set forth above, claims 1-47 are now pending in this application. The pending claims are supported by the claims and specification as originally filed. Particularly, the newly added claims have support in the specification in paragraphs 028, 031, 038 and 039.

Applicant believes that the present application is now in condition for allowance. Favorable consideration of the application as amended is respectfully requested.

The Examiner is invited to contact the undersigned by telephone if it is felt that a telephone interview would advance the prosecution of the present application.

Respectfully submitted,
